MAY 30

Over 1,000 runners, walkers and volunteers will join together to support the breast cancer community at the Lynn Sage Cancer Research Foundation Pink Path Run on May 30, 2020. We hope the 2020 Pink Path Run will bring together sponsors, teams and individual walkers and runners to raise over $100,000 to help eradicate breast cancer. The Pink Path Run also features a Kids Dash for kids under the age of 12. Whether you participate to support in memory of a loved one, to celebrate survivorship or just want to help make a difference, your support impacts life-changing breakthroughs in breast cancer. Together, let's make a difference!

The Lynn Sage Cancer Research Foundation (LSCRF) is one of the nation's leading breast cancer research and education charities. Our mission is to support the understanding, research and treatment of breast cancer in partnership with the Robert H. Lurie Comprehensive Cancer Center of Northwestern University. Since inception, in 1985 LSCRF has raised over $35 million in the fight to eradicate breast cancer.
